BSB80615

# GRADUATE DIPLOMA OF MANAGEMENT (LEARNING)

## COURSE OVERVIEW

This qualification reflects the roles of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas.

They also initiate, design and execute major learning and development functions within an organisation. Typically, they would have full responsibility and accountability for the personal output and work of others. This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability.

This qualification may provide academic credits into master level qualifications, e.g. Master of Education or related degrees. ALTEC College has not negotiated any articulations at present and any credits into higher degrees will be subject to that institutions own credit policy.
